Hope Clinic is a 501c3 nonprofit autonomous organization. Our mission is to share the love of Christ by providing basic, sound, quality medical care at no cost to those who have no health insurance in a climate that is accepting, authentic and inviting for all. We desire to approach healthcare in a way that considers the physical, spiritual, emotional, mental and social needs of the patient and to motivate and equip the body of Believers in our community to share their faith in Jesus where we live work and play.

We currently provide:

- +Dental care by licensed dentists and dental hygienists
- +Charitable pharmacy offering free prescription medications to those who qualify
- +Vision care vouchers for a free eye exam and glasses
- +Food resources at our mobile food distribution twice monthly
- +Spiritual support with volunteers who are available to pray with patients at each clinic
